## Two Possibilities

Passage of some kind of a peacetime draft law  
is as much of a congressional certainty as anything  
can be in a national election year.

Only one thing now could change the prevailing  
impression that public opinion is ready for a revival  
of Selective Service as the most effectual guarantee  
of preparedness short of universal military training.

The one thing is, of course, a change of heart in  
the Kremlin.

There is a dangerous possibility, in that connection  
—that the Kremlin might capitalize on American mis-  
givings about a peacetime draft by pretending to have  
a change of heart long enough to lull this country  
to sleep. It wouldn't be surprising if sometime before  
congress completed action on some kind of a peacetime  
draft law the Kremlin tried its hand at a few gestures  
of appeasement.

The other possibility, more cheerful, is that the  
United States may achieve peacetime security for  
the first time in its history. For generations, those  
who understood the problem have been advising con-  
gress that the way to keep the peace is to discourage  
aggressors by remaining strong. If security could be  
achieved as a means of offsetting Russian expan-  
sionism, the United States would owe its gratitude to  
the Kremlin for helping it to see what it never under-  
stood before.

## Setback For Hawaii

Hawaii's chances for statehood have declined sub-  
stantially with the announcement by Senator Butler  
of the public lands committee that there is "no  
chance" for action this year. The senator says the  
full committee must visit Hawaii before making a  
decision and that cannot be done before November.

The reason for the decline in the statehood drives  
for both Hawaii and Alaska is congress' reluctance to  
release the federal grip on areas separated from the  
continental United States as long as world turmoil  
persists. Meanwhile, Senator Butler says Hawaii may  
be granted the right to elect its own governor, as  
Puerto Rico will do beginning next year. This will  
hardly satisfy Hawaiian statehood proponents.

The arguments for Hawaiian statehood are many  
and not easily refuted. Its apparent setback in the  
senate won't cause the plan to die.

## Dewey's Good Advice

For the opening gun of his Oregon campaign Gov-  
ernor Dewey chose to talk about Communism in the  
United States—and one of his thoughts was a bell-  
ringer. He believes the surest way to strengthen the  
Communist party in the United States would be to  
drive it underground.

"I have been increasingly shocked," he said, "as I  
have watched the repeated proposal of this easy pan-  
acea of getting rid of ideas we do not like by passing  
a law . . . you cannot kill an idea by force . . . you  
can't kill it by this crude proposition to outlaw it. You  
cannot fight Communism by adopting its own method."

Governor Dewey shares this point of view with the  
house committee on un-American activities and FBI  
Director Hoover, among others. His testimony is com-  
petent because New York City is the capital of Com-  
munism in the United States. Its Commies have  
ganged up with labor unions and Democrats on many  
occasions to beat Dewey, who has had as much pro-  
vocation as any man in public life to want to get rid of  
them, by passing a law.

## 100 Years of the A. P.

This month marks the centenary of The Associated  
Press, organized when representatives of six New York  
newspapers voted to form a nonprofit cooperative  
agency for gathering and distributing news. That is  
what the Associated Press has remained through the  
100 years of its growth—an association without capital  
stock, profits or dividends.

At the centennial dinner last month, the directors  
issued a statement which said, "In this land of fight-  
ing for freedom, The Associated Press knows but one  
master—truth in news." For idealistic and practical  
reasons, The Associated Press will always be synon-  
ymous with accuracy and truth. Those qualities are the  
foundation stones upon which it was built and will  
endure.

## Prosperity in the South

Since 1941, the so-called backward states have been  
prospering as never before. A tax foundation survey  
shows that some have larger tax revenues than states  
generally thought of as more wealthy.

For instance, Connecticut collected \$61,718,000 in  
1947 while Mississippi collected \$69,237,000. Iowa, in an  
era of unequal farm prosperity, collected less taxes  
than Oklahoma and Louisiana, both of which have  
smaller populations. Florida's tax revenues exceeded  
Minnesota's, and North Carolina's were larger than  
Indiana's. Tax revenues of "poor" states have increased  
88 percent in the last six years while the national av-  
erage rose 58 percent.

It's true that tax revenue and living standards  
aren't the same. The south has a long way to go be-  
fore its schools, roads and other facilities are up to  
the standards of the north, but those figures indicate  
the day is coming when federal gratuities and sub-  
ventions can be ended—unless the habit of turning  
to Washington for aid has become so strong it can't  
be broken.

## The Stars Say

By GENEVIEVE KEMBLE  
For Wednesday, May 4

An expansive and carefree urge to squander assets,  
funds, energies, all sorts of capital, forces, and re-  
sources, whether in home, investments, business or  
sentimental relations, could be ruinous and regret-  
table, with reactions on the private as well as public  
integrity.

The desire to splurge or "show off" in any of these  
commitments, either through exaggerated generosity,  
over enthusiasm, or by extravagant and magnified  
plans and promises, could crown inflationary notions  
with dismal failure and regret. In home, affections,  
be conservative and prudent.

## For the Birthday

Those whose birthday it is have fair opportunity  
for increased scope and expanded monetary status, by  
a conservative and economical slant on current propo-  
sitions, promising and constructive, if prudently,  
carefully and reasonably managed and not jeopardized  
by inflationary notions, over-zealous plans or purely  
speculative plunges.

Studied and conservative moves could avert loss and  
pitfalls, where extravagance, show or excess mis-  
lead. A similar danger besets the domestic, social and  
affectional relations, where false appearances, prom-  
ises, or over acting may prove explosive. Separations,  
perhaps litigation, menace and harass.

A child born on this day may have extravagant,  
over expansive and inflationary ideas, with scant busi-  
ness instinct and much of the pretentious and prodigal  
in its personal relations.

## ONE MAN'S OPINION

BY WALTER NIEMAN

Democratic headquarters quotes astrologers as say-  
ing that Taft was born too late in the afternoon to be  
president . . . apparently has missed the noon planet  
for the White House.

Republicans feel that any of their candidates was  
born under a lucky star to be running this year, but  
according to the charts, Truman can't miss if we play  
our horoscopes right.

Hoover was born under five stars but is not  
inclined to run . . . he doesn't believe in giving up a  
good steady job for four terms in the White House.

There was a time a man could hope to escape in  
eight years but due to popular ignorance they was  
changed.

Anyway not everything depends on our election . . .  
Democratic scientists are not about to shed with plans  
to develop a bomb with a bomb.

This sounds like a man who until you think what  
people have been trying to do with their noses.

Vets Advised On  
Cashing In Bonus

COLUMBUS, May 3—Ohio veterans of the World War II expecting to receive bonus checks were cautioned today by Courtney E. Kirby, assistant director of the World War II Compensation Fund, as follows:

- (1) That all checks issued by the commissioners of the Sinking Fund on the World War II Compensation Fund may legally be endorsed only by the person to whom the check is payable.
- (2) That the checks are payable at par through any bank within 60 days of the date on the check.
- (3) That in case the check is undeliverable to the person to whom it is addressed, it will be returned by postal authorities to the World War II Compensation Fund in Columbus.

- (4) That is cases where the veteran who filed his application has died prior to endorsing the check, it is necessary to return the check to the World War II Compensation Fund, in Columbus and for the next eligible next of kin to file an application on the next of kin Form No. 3.
- (5) That the checks will be paid by the treasurer of the state only if endorsed personally by payee.

## Do YOU Own A "Scratching" Dog?

If you own and are fond of a dog that is continually scratching, digging, rubbing, and biting himself until his skin is raw and sore, don't just feel sorry for him. The dog can't help himself. But you may. He may be clean and free and just suffering from an intense itching irritation that has centered in the nerve endings of his skin. So as these sounds of pleased dog owners are doing.

At any good drug store, pet or sport shop, get a box of **Red Hunter's Dog Powders**, and give them once a week. Note the quick improvement. One owner writes: "My female setter on Sept. 30 did not have a handful of hair on her body—all scratched and bitten off. I gave her the powders as directed. By Nov. 10th she was all haired out. Learn what they will do for your dog. Make a 20c test. Recovery time just for only \$1.00. Important. Keep your dog clean and free with Red Hunter's Medicated Dog Soap and Fine Oil Shampoo."

## Do YOU Own A "Scratching" Dog?

If you own and are fond of a dog that is continually scratching, digging, rubbing, and biting himself until his skin is raw and sore, don't just feel sorry for him. The dog can't help himself. But you may. He may be clean and free and just suffering from an intense itching irritation that has centered in the nerve endings of his skin. So as these sounds of pleased dog owners are doing.

At any good drug store, pet or sport shop, get a box of **Red Hunter's Dog Powders**, and give them once a week. Note the quick improvement. One owner writes: "My female setter on Sept. 30 did not have a handful of hair on her body—all scratched and bitten off. I gave her the powders as directed. By Nov. 10th she was all haired out. Learn what they will do for your dog. Make a 20c test. Recovery time just for only \$1.00. Important. Keep your dog clean and free with Red Hunter's Medicated Dog Soap and Fine Oil Shampoo."

## RESIGNS PULPIT AT COLUMBIANA

Rev. Rueckwald Leaving  
To Accept Charge At  
Zelenople, Pa.

COLUMBIANA, May 4—Rev. Paul T. Rueckwald, who has served three years as pastor of Jerusalem Lutheran church, Columbianna, and Zion church, New Waterford, has resigned to accept a call to St. Paul's Lutheran church, Zelenople, Pa.

He was regretfully granted honorable dismissal at congregational meetings of both churches Sunday morning. Rev. Rueckwald will continue his pastoral duties here until June 1, when he and his wife and three daughters will locate in their new parish.

As pastor here, Rev. Rueckwald has been active in planning a new church and Sunday school building for Jerusalem congregation. A fund campaign started a week ago to be completed before the end of the month. The aim is to raise at least \$100,000. Cash and subscriptions received last week from Monday noon until Friday evening amounted to \$18,300. There was about \$20,000 in the fund when the campaign started. Rev. Rueckwald will remain here for St. Paul's church is one of the oldest in Butler county.

**Records In R. O. P. Trapnesting**

Last year Orchard Knoll New Hampshires gave an average production of 223.3 eggs per hen per year, based on the number of pullets originally entered in R. O. P. trap-nesting.

This was the highest record made in the United States last year by any New Hampshire breeder in R. O. P. trap-nesting.

Average production, based on the number of pullets originally housed, will more than any other one factor, determine the amount of your poultry profits each year.

High average production is no accident, but is the result of many years of careful breeding.

When you place your order for chicks with Orchard Knoll you will receive stock that can, and will, make more money for you because it is bred for high production of large eggs together with wonderful livability.

The baby chick season will soon be over! The outlook for poultry profits was never brighter. PLACE YOUR ORDER TODAY!

5,000 View Mullins  
Operations During  
Open House Sunday

Nearly 5,000 Mullins employees  
and their families toured the Salem  
plants of Mullins Manufacturing  
Corp. when open house was held  
Sunday afternoon. The tour was  
especially planned for Mullins fam-  
ilies.

Each employee acted as a guide  
in taking his family and friends  
through the plants showing them  
the various processes carried out in  
making the company's products.

Picked crews of men at repre-  
sentative machines gave the visitors  
an opportunity to see actual opera-  
tions being performed. Many Mul-  
lins women employees acted as  
hostesses at the refreshment stands  
during the day.

Guests were conducted through  
the press rooms, the die shop,  
enamel plant and other divisions of  
the factories. They also had a  
chance to view an attractive dis-  
play of Mullins products including  
a Youngstown Kitchen display. A  
special bus was used to carry vis-  
itors from the main plant to Plant  
3 where Youngstown Kitchen wall  
cabinets are made. The highlight  
of the Plant 3 trip was the showing  
of the modern new paint depart-  
ment completed last year.

Last week the Warren plant held  
a similar open house.

## The Granges

Reports of Meetings and Special Events of Interest to Farm Folk

**Goshen**  
The annual Rural Life Sunday observance by Mahoning county granges was held Sunday at Goshen grange, with a covered dinner at noon, followed by a program which was highlighted by an address by Rev. Paul Aker, pastor of the Methodist church at Canfield.

E. J. Justice, chaplain of Mahoning County Pomona grange was in charge of the program, which included group singing, and the following musical numbers: anthem by the Presbyterian church choir, North Benton; The Lord's prayer, Leland Lipp, Canfield; Instrumental trio from Greenford; and a reading,

"God In Nature," by Mrs. Edith Courtney, Canfield.  
Grange events scheduled in Mahoning county were announced, as follows: young people's meeting at Goshen grange, May 5; county banquet at Beloit High school, June 10; project meeting at Smith grange hall, June 21, and Mahoning county Pomona grange at Smith grange hall, May 28.  
At the meeting of Goshen grange, held Friday evening, April 30, the lecture hour was devoted to observance of music week, groups of stu-

dents from the Meadowbrook and Hickory schools, taught by Miss Edna Rose and Mrs. Edwin Miller, giving several numbers.  
Under the direction of Mrs. Edwin Miller, the young people of Goshen grange are to enter a ritualistic contest, and plans are being made to provide the team members with special costumes.  
An essay contest sponsored by State Grange on the topic "Good Manners on the Highway for young grangers from 14 to 18 was announced by the lecturer of Gosh-

en grange, Mrs. L. L. McCrea. Prizes are offered.  
The Goshen Juvenile grange is sponsoring the social activities of Goshen grange during May, and at the next meeting, Friday, May 21, a "penny" supper will be served.

A quartet from the Leetonia High school (William Jackson, James Carter, James Cutchall and Eddy Exten) will be featured on the program at a meeting of Perry grange at 8 p. m. Wednesday.

### LINKS DEPARTMENT

"Affable Andy" Mocsary, popular Salem Golf club pro, arrived back at the course late Friday and after a weekend of the customary rain (Andy always claims he brings it with him) is "rarin' to go" for the 1948 golf season.

Blessed with the best playing luck he's had in years, Andy is hopelessly looking forward to entering at least three of Ohio's biggest pro tournaments this season.

He's bent on the Akron, the Cleveland and the Youngstown opens and says he will probably get into a few more in this area if the going seems good.

The winter season was good to Andy in Florida. He copped a first in a pro-amateur tourney in St. Petersburg, placed in the money in four other Florida events and in one day's work set a new course record at the Clark Sunset course with a 30-32 on the par 71 layout.

Andy reports that he is in the best playing shape in years and claims he is all set to take the best of the Salem club has to offer. The friendly rivalry between Mocsary and some of the club's top-flight golfers, including Dick Dennis, Rudy Schuster, Dr. Dick Harwood and Bob Buckholt, has grown to some proportions and should provide some interesting contests this year.

Mocsary is now working with the club's entertainment committees to outline a full schedule of tournaments (for both women and men) and special events for the approaching spring and summer seasons. An announcement of the schedule will be made soon.

The club membership, again this season, is at its peak with a total of 234 signed up.

Mocsary has brought up from Florida a complete line of clubs and other golfing equipment and will as usual offer complete club servicing to the membership. Johnny Herrmann is again handling the caddy-master chores and is now on hand in the afternoons to free Mocsary for lesson-giving chores.

### DEPT. OF RUMOR

News on the Massillon coaching job is all in the "rumor" category since Sunday, but it appears fairly definite that Coach Charlie Mather of Hamilton, formerly of Leontia, and his assistant in football and head basketball man at Hamilton, Paul Schofer, are all but signed on the dotted line.

There was a conference in Massillon Sunday afternoon, in which Mather, Schofer, Carl F. "Ducky" Schroeder, former Salem coach, and Rocky Snyder of Portsmouth and formerly of Struthers, chatted with high school officials.

Supt. Smith of Massillon refuses to confirm that anything has taken place concerning the hiring of a football and basketball coach or any assistants, but it is generally known that the meeting was held

Andy Mocsary

and apparently Mather and Schofer have all but accepted.

The original lineup to go to Massillon with Mather included Schofer as basketball man plus Schroeder and a forthcoming graduate of Miami University at Oxford, David Putts of Lima, as assistants. This lineup may be altered some, possibly to include Schroeder and Snyder instead of Putts.

The only official statement anyone can get at Massillon is that the board of education meets Wednesday evening and "some discussion may be held concerning the hiring of coaches."

But the general talk at the Cleveland Browns clinic Friday and Saturday, when Massillon officials and Mather and his group were around, was that he would take the job and would take his own staff.

# '48 May Turn Out To Be Musial's Best Year

## HITTING LIKE DEMON, HOLDS 383 PACE NOW

American League Idle Yesterday; Two Games In National

By JOE REICHLER

Associated Press Sports Writer

This may be Stan Musial's greatest year since he came up to the major leagues with the St. Louis Cardinals near the end of the 1941 season.

In his first 11 games, the 27-year-old native of Donora, Pa., has built up a robust 383 batting average. But that is not the entire story.

Stan's 18 hits include four doubles, three triples and two home runs. All figures are high up among the leaders. He has driven in 14 runs, almost one third of the Cardinals' total. Only Walker Cooper of the New York Giants and Hank Sawyer of the Cincinnati Reds, with 15 each, have batted in more.

Quite a difference from his showing last year at a corresponding date, when he was hitting a puny .167 and had driven in only four runs.

The pride of Donora singled in his first two times at bat yesterday, the second blow sending in Red Schoendienst with St. Louis' first run. The Cards added two more to defeat the Chicago Cubs, 3-1. In the only day game in the National League.

The triumph shoved the cards into third place, past Brooklyn, and only a game and a half behind the preceding Pittsburgh Pirates.

Dave Koslo hurled a masterful four-hit 5-9 shutout for the Giants over the Reds before 28,424 fans in a night game in Cincinnati. It was his second win in two starts. The Giants collected 13 hits off Johnny Vander Meer, Howard Fox and Ken Raffensberger.

The victory put the Giants in a virtual tie with the Pittsburgh Pirates for first place in the National League. The Pirates, however, hold a percentage point lead with eight victories and four defeats to a record of 9-5 for the Giants.

No other National League games were scheduled. Rain washed out the only scheduled American League game with Washington and Philadelphia.

## NED DAY'S HOOK BALL EXPENSIVE IN TOUGH SERIES

Misses 10 Pin And a Try At Near-Record Score; But Leads Anyway

DETROIT, May 4—Ned Day, five-time bowling match champion who has been on a nationwide exhibition and instruction tour for four years, often tells his students to learn to throw a "hook" ball.

"You may mull the No. 10 pin occasionally," he says, "but it's the most effective ball to get strikes." Competing in the American Bowling Congress championship yesterday, Day threw plenty of hooks, missed the No. 10 pin and landed on top of the all-events division with a remarkable 1979.

His score was 24 pins ahead of the 1955 that has kept Anthony Pompein of Lorain, O., in the lead for some time. It also topped by 14 pins the 1965 that won the coveted all-events crown for Chicago's Junior McMahon last year.

Day's No. 10 pin mull came in the last frame of his last game.

Bowling with a Chicago entry, the Milwaukee kepler had hit 667 in team competition. In doubles he shot 637, and needed only 652 in singles to go ahead in the nine game race.

Despite the hook that went wrong, Ned fired a 672 in the clutch to move into a position where he may well hold on to the lead.

## Feller, Lemon and Muncrief On Deck

PHILADELPHIA, May 4—The league-leading Cleveland Indians today open their first "crucial" series of the season against the Philadelphia Athletics, surprising occupants of second place in the American League.

If Manager Lou Boudreau were a betting man, he probably would admit that he would wager "a couple of Bobs" on the Indians' pitching boys—Feller, Lemon and Muncrief—to give the Tribe a margin in the three-game series.

Muncrief, a relief winner in his only appearance this year, opposes the ace of the A's staff, Phil Marchildon, in the opener of the Indians' first 1948 eastern swing. Feller will hurl tomorrow and Lemon will take the mound Thursday. The trio has been credited with five of the Tribe's six victories to date.

Batting  
Jack Lohrke, Giants—Collected three hits in four times at bat to lead the Giants to a 5-0 victory over Cincinnati.

Pitching  
Dave Koslo, Giants—Shut out the Cincinnati Reds 5-0 on four hits. He fanned five and walked only one. (Only games scheduled)

## Guilford Among Lakes Open To Fishermen

Eight bodies of water were held open for fishing by the State Conservation commission today for the closed season, effective until June 15.

Open bodies are Lakes St. Marys, Charles Mill reservoir near Ashland, Guilford lake, Leesville lake, Seneca lake, Buckeye lake, Lake Loraine, Lake Alma and the Sande river and its tributaries.

Closed season in the Lake Erie sector goes into effect May 25 and lasts until June 30.

## SALEM VFW HITS STRIDE WITH WIN IN LOOP OPENER

Season Begins At Salem A. C. Park As Lisbon Merchants Fall 10-2

A 10-run surge, coming like a volcano in the second inning, gave the Salem VFW out the victory in the official opening of the Salem A. C. league at the east end park Monday as the Lisbon Merchant nine found itself on the short end of a 10-2 score.

The first loop game will be followed tonight by a battle between the Salem Merchants and the American Legion outfit at 6 p. m. Lisbon's only two runs came in the first and fifth frames yesterday. Salem collected only seven hits, but capitalized on five Lisbon errors to make their total. The Lisbon team, on the other hand, could garner only three hits.

## BUCKEYE STATE FOOTBALL CLINIC SET THIS WEEK

Frank Leahy to Offer Tips To High School Coaches At Columbus Session

(By Associated Press)

COLUMBUS, May 4—Ohio State university offers its 17th annual football clinic for high school coaches this weekend, with Notre Dame's Frank Leahy as the outstanding member of the "faculty."

The Ohio High School Football Coaches association will name officers for 1948-49 at the Friday-Saturday session.

Nominees for President are Gil Smith of Van Wert and Bob Morgan of Cincinnati Western Hills. Vice presidential nominees are Ralph Ness of Lakewood and T. C. Davies of Ironton. Carl F. (Ducky) Schroeder of Springfield is unopposed for secretary-treasurer.

Members of the nominating committee were Glenn Ellison of Middletown, Ken Powers of Reading, Bus Harding of Toledo, Libbey, Howard Brinker of Steubenville, Homer Edgington of Chillicothe, and Harold Roettger of Lockland, the retiring president.

Coach Leahy, explaining the "formation offense, will open the clinic Friday morning.

Head Coach Wesley Fesler and his Ohio State staff will take over Friday afternoon and Saturday morning. Fesler will outline Buckeye offensive plans, and Head Line Coach Layl Clark will talk on defensive line play.

E. R. Godfrey, assistant line coach, will discuss linebacking, and Backfield Coach C. C. Widows the fine points of pass defense.

The visiting coaches will be guests at a Friday night banquet, at which George M. Trautman, president of the National Association of Professional Baseball Leagues, will speak.

The clinic will wind up Saturday with the annual spring game at 3 p. m., following a track meet between Ohio State and Wisconsin at 1:30.

Coach Paul E. Brown of the All-America conference champion Cleveland Browns, said at least one member of his staff would attend the Ohio State clinic, and that he and his entire corps would sit in on the spring game.

## Tribe To Utilize Scouting Outfit

(By Associated Press)

CLEVELAND, May 4—The Cleveland Indians announced today arrangements had been completed with the Saperstein whereby his organization would provide scouting facilities for promising Negro ball players.

Saperstein, promoter of the Harlem Globes Trotters professional basketball team, has a far-flung organization that scouts for Negro athletes in the Philippines, Cuba and Mexico.

"We know there are many promising Negro ball players of the caliber of Jackie Robinson of the Brooklyn Dodgers and our own

Larry Doby," Tribe President Bill Veeck said, "and we feel sure that by working through Mr. Saperstein's organization we can obtain our share of such talent."

## Check Stream Pollution In Columbiana County

LISBON, May 4—Game Warden Lon W. Boring and T. H. Gallagher, pollution engineer of the Ohio Division of Conservation, today began a survey and investigation of stream pollution in Columbiana county.

The officials will start near Meyers, where pollution from a coal mine killed numerous fish in 1947.

## GUARDING YOUR HEALTH

### Treatment For Plantar Warts

BY HERMAN N. HUNDESEN, M.D.  
SUPPOSE you were left a fortune on condition you went about forever after with a pebble in your shoe. It seems a small price for a princely inheritance but a novelist once dealt with this situation and decided correctly that the fortune would be discarded about the third day to get rid of the pebble.

However that may be, there are some unfortunate who, in effect, have all the discomfort of the pebble without the consolation of financial reward. They are those who suffer from plantar warts. Now warts may occur on any part of the body, but they are most disabling and painful when they develop on the sole of the foot.

#### Exact Cause Unknown

Their exact cause is no known but it has been suggested that they may be due to an infection with a virus. Most warts are easy to deal with, but plantar warts are another story. They are very stubborn and difficult to eliminate. The usual treatment consists of the use of X-ray. However, such treatments are not always available, and sometimes they do not destroy the growth.

touched by them and that the surrounding normal skin is no damaged.

Before those substances are applied, the wart is pared down with a sharp knife or razor blade. If blisters or other signs of ringworm are present in the area of the wart, the treatment must be delayed until this condition has been cleared up.

#### No Discomfort

In the treatment with phenol and nitric acid, the patient experiences no discomfort. An ointment, made up of salicylic acid and placed over the wart so that it is trimmed more easily at the time of the next treatment. The entire pad is then covered and fastened to the foot with strips of adhesive tape.

The patient is permitted to bathe and is instructed to continue with his usual activities. Vigorous at-

letics, however, are prohibited. The dressing should not be disturbed. In four or five days, the dressing is removed, and the wart, with the surrounding callus is pared down as thin as possible. The procedure is then repeated as before.

From two to twelve treatments will be required to eradicate

the wart, the average being six. After the treatment is completed, the patient should be examined monthly to make sure that the wart has not recurred.

#### QUESTIONS AND ANSWERS

R. A.: Will you please tell me something about hysteria?

Answer: Hysteria is a disorder in

which the individual is easily influenced by suggestion, and in which certain body states are produced by this suggestion. Persons who are emotionally unstable are the ones who suffer chiefly from this trouble.

## "Interested-in-YOU" Service

THE philosophy of this Prescription Pharmacy may be summed up in our considered belief that you are the most important person in our world. Your wishes, your needs, your prescription, have our undiverted attention from the moment you pass that fragment of mystic prescription over to our side of the counter. Here you observe in actual daily practice a type of

simple, sincere, "interested-in-YOU" service. It's service that is dedicated to your welfare all the way from the selection and careful compounding of pure ingredients to the final price tag. Yes, admittedly, it is a selfish service which we give. For we know that only by serving you ably and honorably can we hope to build for us an enduring place in this community.

We invite you to test the facilities of this Pharmacy of "Prescription Specialists" in any practical manner. By all means, do ask your Physician about us.

## Good News For Folks Who Suffer From

- ✓ STOMACH GAS
- ✓ SOUR FOOD TASTE
- ✓ ACID INDIGESTION

Do you feel bloated and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief from this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment, sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps build sturdy health.

#### Listen!

The only time you've ever heard a motor give out with that proud, fine-car whisper, was in a car far above Mercury's price class. This 8-cylinder, V-type power plant is designed and built exclusively for the ALL-NEW Mercury.

#### Beq Pardon—but sitting is important!

This 1949 ALL-NEW Mercury gives you a lullaby ride on just ordinary roads—and even over the worst rut-race. It has all-new spring suspension—a low center of gravity—down-to-earth roadability. And you'll be glad all over about Mercury's new fog-free, leakproof "Fingertip Weather Control."

#### The touch of your toe

proves that this ALL-NEW Mercury has all-new super-brakes. Press the pedal gently. Quickly, surely, you come to a velvety-smooth stop. Just knowing you can count on that kind of safety helps you relax and enjoy the quietest, easiest glide-ride you ever knew.

#### First look

tells you this car is more than a new model, it's the ALL-NEW 1949 Mercury! Longer, lower—with an eager look that's a standing invitation to jump in and take off. Wider, too—with its sturdiness skillfully hidden under a sleek, style-wise, curved-arch silhouette. A choice of superb body styles, including Mercury's all-new Six-passenger Coupe and Six-passenger Convertible.

#### Take the wheel, hands!

You don't over-steer a Mercury. You do take curves with more smiling confidence because of Mercury's perfect balance. And you do drive with more safety and comfort on Mercury's new, oversize, super-balloon tires.

You'll be happy, too, with an
